

Welcome to the Gsteigwiler Village Shop 24/7!

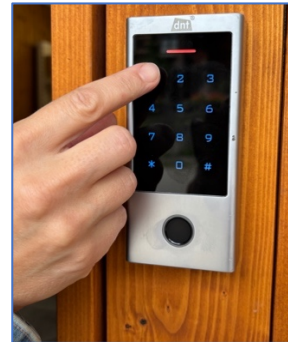

How to use the code keypad at the Gsteigwiler village shop

Good to know: The keypad is in standby mode when not in use and must first be activated using button 1 (step 1), then the 6-digit code can be entered (step 2). Confirm with hashtag # (step 3), the door will unlock with an audible click. Pull the door open and enter.

This is what it looks like:

Step 1: Activate using button 1

> The digits light up **BLUE**

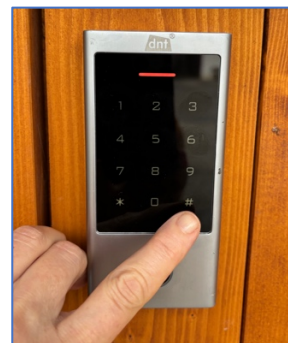

Step 2: Enter your personal 6-digit code*

> The device confirms the entry with an audible signal.
(If an error occurs during entry, simply enter the code again.)

Step 3: Finish with

> The bar lights up **GREEN**

The door is now unlocked. Please come in.
Welcome to the Gsteigwiler village shop!

b)

3. Continue to follow the instructions on the screen

The following payment options are available at the self-checkout:

- **Cards** > Credit cards and other digital payment methods
- **Customer account** > you will need a personal customer card for this

Good to know:

- A deposit, e.g. for returnable glass bottles, is stored in the checkout system for the item and is automatically recognised.
- Containers with a deposit can only be returned to staff during opening hours.
- Multiple identical items: adjust the quantity on the touchscreen (+/-)
- Promotions: Items on promotion are set up accordingly in the checkout system.
- Discounts: Discounted items are marked with a discount sticker. Scan the item and reduce the price using the corresponding percentage button: 20%/50%.
- Variable prices: Enter the price manually on the touchscreen, e.g. for car hire or organic vegetables.
- Age verification for alcohol and tobacco: The sale of restricted goods at self-checkout is not permitted in the Canton of Bern. These goods can only be bought at times when the staff is present.

Thank you very much for your purchase, and see you soon!
